KOVESH

CUSTOM KITCHENS

Custom cabinetry designed around each space, combining functional storage, refined finishes, and personal style.

Before & After

We collaborate with homeowners, designers, contractors, and other project partners to develop custom cabinetry solutions.

KITCHENETTES

Compact spaces deserve thoughtful design. Our kitchenette solutions bring storage, durability, and functionality to smaller interiors.

KITCHEN REFACING

Before & after: refreshed cabinetry can transform the appearance of an existing kitchen while retaining elements of the original layout.
